

breakfast is very good. \rightarrow lots of healthy dishes to decide from.

FOOD is the USP of this place.

Just to sum up... EKANT is not just a place but a pleasing EXPERIENCE, very beautiful place to explore & much much more.

One thing we can say for sure... whenever anybody ~~will~~ any one will come, & stay here, it will always feel to stay for more & more days, its always less to how much ever days you be here.
