Dear Karthi,

As good as I expected it to be. We stayed there in April 2014, and loved the experience. This time we brought a few other friends too and you didn't fall short of your high standards one bit. Great food, great service, ultra clean!

p.s. The a/c in 'Bukhrai' does not work. It didn't bother us but you may want to have it fixed.

Thanks a lot.
