Ekanta has been a wonderful experience. Nature untouched by modernisation ~~was~~ has to be seen to be believed.

The staff were very helpful, service wonderful.

We have enjoyed our stay thoroughly & would be recommending to a lot of our friends. And of course a revisit is on the cards.

But - there is always one - the approach road ~~is~~ leaves a lot to be desired. I think if it is done up you will have a lot more visitors.

Dear Ekant family,

The experience here has been excellent. The surroundings are green and fresh and very rejuvenating. Food ~~which was~~ served to us was wonderful <sup>and homey</sup>. The ambience was awesome and very comforting. Rains made the place look more green and the smell of soil was very fresh and nice. The sit outs on the lawns are a ~~very~~ the best place to sit and talk with our friends and family.

I definitely enjoyed my stay here and I would surely recommend this place to my friends. I also wish to thank the staff for their service which was very quick and helpful too.
