This was our 2nd trip to Ekanta and again loved it thoroughly. We had a very short stay this time but felt so much refreshed and rejuvenated.

Thank you for the experience and maintaining the awesome place the way it should be.

Food is the highlight of our visit, it's too tasty and we ^{always} eat here.

Hope to come back again soon.

Dear Ekant family,

Firstly, let me take this opportunity to say you have a wonderful place and it is so well kept. Your staff is absolutely wonderful. Very helpful and courteous. extremely polite. The rooms are wonderfully maintained. 2-3 suggestions to make this experience more enriched. The road needs repairs and needs to be leveled. If there was a small play area for kids it would be wonderful. Rooms need a night lamp. Other than that, fabulous experience! and we will be back!

Lots of love & Happiness
